ABOUT US

Welcome to Casey's Bistro. Patrick & Mary Casey, along with many volunteers, have been busy serving Alamance County seniors, disabled, homeless, & needy families since the onset of the pandemic. Stone Soup Menus (SSM) is a non-profit organization designed to meet the nourishment needs of those who have challenges cooking for themselves. Working with local farmers & businesses in Alamance, SSM has been able to make & deliver over 100k meals to those in need.

Casey's Bistro was birthed out of a desire to continue to support SSM financially as well as serve the rest of the community. A percentage of every ticket will go to SSM in order to provide meals to those in need. We appreciate your support!

Please follow Stone Soup Menus on FB as well as Casey's Bistro. We are here to serve you and this beautiful community. We look forward to you becoming our friends and family.

We are grateful to be a part of the Burlington Food Hall and serving you. Check out our Take & Bake Meals when you're too tired to cook.

We will have a limited number of items each day to ensure the freshest of offerings, eliminate waste, and gauge the needs of the community. We strive to be organic, healthy, fresh, local, and home-made. Come & check us and our neighbors out!
